FE323-N

Serratura magnetica 2430N montaggio standard.

Mega-LED

This electromagnet is part of the new series of magnetic locks equipped with a “Mega-LED” allowing to see the LED status from a much further distance.

Security, quality and design

Security, safety and design using high quality materials, ensuring maximum strength without any residual magnetism or corrosion and proven holding force.

Dettagli

- Strong design with high-end finish
- Corrosion proof: salt spray test (ISO 9227, ASTM B 117-90) at 35% for 96 hours
- No residual magnetism
- Built-in MOV surge protection
- L bracket and Z + L bracket set available

FE323-N

Serratura magnetica 2430N montaggio standard.

Specifiche tecniche

General

Product type	Verrouillage magnétique

Monitoring & status

Monitored	Yes
LED indicator	Yes
Door status switch	No

Physical

Colour	Aluminium
